at a farme operand these teachers and a second of the seco day through grated windows for six months, be-sides paying a fine of \$1000. I wish Asserious clid not love office so wall it is strange how feeduating it is, however mean thade ship wreek of their principles, honor, and every thing else, while litering to the promises of affice! It makes me think of a dee that I once saw. A follow held up a bigetic before him and said 'appeak.' and the door sylve-" Stand up, each he stood up, "Roll over," and he did so, and the follow very complexently put the bisecut in his pooket, and said, "Now up and lay down." Thisse is way goulderers have treated northern statemen. They have told him to "speak," and they have stood up and spokes for always, and they have stood up and spokes for always, and dry have stood and they have rolled oren, and opst off their old principles of freedom. Then they said with a day down forever—you are of no farther service. It is time northern men should wake to out the stood of the share owner to courted you any langer, it is degree to other the courted you any langer, it is degree.

MANUFACTURER'S AGENCY

in. There is no need of allowing the slave power to control you may bearer. It is degradation intended for you to suffer yourselves to the the wassle of women whippers, and the dupes of northern suprante for office and power.
